# year end giving.

As the end of the year approaches, we ask you to prayerfully prioritize The Parish in your financial giving. As with most non-profits, our community brings in a large portion of our total budget (about 35-40%) in December alone. As a church that is entirely self-supporting, that makes this an important month.

You can make a recurring or one-time donation on our web site at [parish.community/give](http://parish.community/give), or by scanning the QR code with your camera app. It's simple, secure, and all donations are tax-deductible. Through our web site, we can also receive donations of stock, crypto, or donor-advised funds.

Want to learn more? Save the date for *Sunday, January 26th* where our Vestry will lead a **Finance Town Hall** to share more about our financial picture, practices, and current budget year. Questions? Email the Vestry at [vestry@parishanglican.org](mailto:vestry@parishanglican.org).

*Thank you.* We simply cannot do this without you, and we are truly grateful for your generous support of our community.
